Crucially, the security official's testimony appears to confirm part of what Cassidy Hutchinson previously testified. A West Virginia man charged last week with brutally beating his sister, who awoke from a two-year coma and named him as her assailant, has died, according to officials. Joe Raedle On Thursday evening, the Jan. 6 committee played stunning footage of Senator Josh Hawley (R-MO) running away from a mob of pro-Trump vigilantes that he was seen riling up just hours earlier. Despite the clip clearly showing the Republican lawmaker on the run, nearly 24 hours later, he pledged to a group of young conservative activists that he would not cÃ¢ÄÄrun cÃ¢ÄÄ away from a battle. cÃ¢ÄÄHey, listen, I know what I'm talking about because I had them do it to me, cÃ¢ÄÄ he proudly declared at Turning Point White the USSS is comprised of approximately 3,200 agents total, DHS requested communication from just two dozen agents. Jackson, who joined the court on June 30 after the retirement of Justice Stephen Breyer, promised during his confirmation hearing to sit the case involving Harvard's admission policy because he was a member of the school board. The Harvard dispute was accompanied by a similar action involving the University of North Carolina. The House Republican Conference publicly attacked Sarah Matthews, former Trump White House press secretary, for testifying before the January 6 committee - despite the fact that she is currently working as communications director of the Republican team at the House Selected Committee on Climate Crisis. "Only another liar and pawn ... A retired Secret Service agent said that intense scrutiny around deleting text messages around January 6 may cause more damage than good.
